The long time owner is moving. There are wood floors in the living & dining area, wood under carpet upstairs plus a large eat-in kitchen. The upstairs den could be easily be a 3rd bedroom. There's newer windows & roof, too. And, there's a nice sized rear yard (concrete). This row-home is very convenient to the Charles Village shopping and restaurants and to JHU. Many homes in this up & coming area have been totally renovated. This is a less-traveled wide one-way street. Mortgage rates have never been lower and the seller is motivated! There's plenty of potential but this home is **absolutely move-in ready!** There's no place like home!
